ORDER

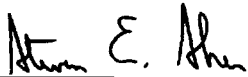

In Application No. 13142, by Order dated June 30, 1980, the Board of Zoning Adjustment approved the identical special exception and variances requested herein, for the same applicant, to construct the same development as proposed herein. The applicant did not proceed to file for building permits to construct the project because of adverse economic conditions. In accordance with Paragraph 8205.11 of the Zoning Regulations, the approval expired after six months.

The applicant now proposes to go forward with the project. The Department of Transportation, by memorandum dated January 20, 1982, noted that neither the application nor the site plan had changed since the earlier application and that its previous comments and recommendation were still applicable. The Board incorporates herein the Findings of Fact and Conclusions of Law set forth in Order No. 13142, dated June 30, 1980, a copy of which is attached. It is therefore hereby ORDERED that the application is GRANTED in accordance with the same terms and conditions as set forth in Order No. 13142, dated June 30, 1980.

VOTE: 5-0 (William F. McIntosh, Connie Fortune, Charles R. Norris, John G. Parsons and Douglas J. Patton to GRANT).
